

## Summer 2019 SIS Course Request Form

Students enrolled in a Supervised Independent Study (SIS) course pursue structured independent work, following a well-defined syllabus, under the supervision of one or two faculty members. Not every student is allowed to enroll in an SIS course. Interested students must fill-out the SIS Course Request Form justifying their suitability for the course and their ability to conduct independent work. All SIS course options may be found [here](#).

### Personal Information

First Name:

Last Name:

College or University:

Major:

Minor (if applicable):

Class Standing as of Spring 2019: Freshman / Sophomore / Junior / Senior / Graduate

Course number (ex: ART 371-01):

Course name:

### Supervised Independent Study (SIS) Request

Please indicate which Forum-Nexus SIS course you are requesting approval to take, as well as answer the following questions.

Course number (ex: PHO 490-SIS):

Course name:

1. Why are you interested in this course? What is your background in this subject? Have you already taken other courses in this field? Please explain.
2. Do you propose for your independent work to focus on a particular area? Please explain.
3. Have you been involved with an independent or self-paced course before? Please explain.
4. Are you confident that you will have the self-discipline to keep up with the readings, gather the information for your essays, prepare an oral presentation, and produce well-written essays? Please explain.
